

THREE-DAY CERTIFIED AV SPECIALIST (CAVS) TRAINING

Mr. Abdul Waheed

Managing Director at EYTE Technologies Pvt Ltd (CTS-I)

Abdul Waheed stands as a luminary within the AV industry, holding the esteemed position of Managing Director at EYTE Technologies Pvt Ltd., a pioneering force in India's AV, IT, IoT, and acoustic consulting domains. With accolades including AVIXA CTS & CTS-I certifications and a role on AVIXA's Certification Committee, Abdul is steadfast in his dedication to providing unparalleled customer experiences. Boasting over two decades of industry expertise, Abdul champions technological advancements that propel industry evolution.

Transitioning from a corporate background, Abdul's journey saw him establish EYTE, driven by his fervent pursuit of technological innovation and problem-solving. An avid enthusiast of emerging trends, Abdul remains deeply engaged in day-to-day operations, from pivotal business meetings to hands-on site audits. Augmenting his practical experience, Abdul's academic credentials in business empower him to deliver unrivalled returns on investment and objectives for his clientele.

Under Abdul's stewardship, EYTE has executed triumphant projects across diverse sectors encompassing multinational corporations, hospitality, governmental bodies, and educational institutions.
